1 MIT Police will investigate incidents that occurred on campus property. They will assist in connecting you with the appropriate police department for incidents that occurred off-campus.

2 The TIX Coordinator (TIX C) can explain your reporting options (both formal and informal reports). See [titleix.mit.edu](http://titleix.mit.edu) for the MIT Sexual Misconduct Policy and reporting process, list of Deputy TIX Coordinators, and resources.

3 Private resources have a duty to report the incident to the TIX C. The TIX C will work to ensure you have all your reporting options, can coordinate campus resources, and collects information to track broader trends across campus.

4 Confidential resources will not report any identifying information to the TIX C.

5 Staff from VPR are available 24 hours a day to provide support and answer any questions you have about resources and reporting options.
