Dear Colleagues:

We would like to cordially invite you to join us at SPECTRUM, the largest higher education conference in the nation dedicated specifically to preventing and responding to sexual and interpersonal violence against members of the LGBTQI+ community.

The conference will take place at the Albany Capital Center in Albany, NY from June 18-21. June 18 and June 21 will feature pre- and post- conference deep-dive training from Bringing in the Bystander, 20:1, the One Love Foundation, Culture of Respect/NASPA, the University of Rochester Clinical Education Initiative, Mt. Sinai Medical, the Clery Center, and others.

The main conference, June 19 and 20, will feature concurrent sessions with thought leaders in the higher education, medical, crisis response, international, and other realms. The conference will also feature keynote addresses by Jane Clementi, founder of the Tyler Clementi Foundation; Dr. Genny Beemyn, Director of the Stonewall Center; and Jim Obergefell, the lead plaintiff in Obergefell v. Hodges, the 2015 Supreme Court decision on same-sex marriage.

As Conference Co-Chairs, we strongly believe in tone from the top. If our leaders are engaged in the conference and its message of cutting-edge, evidence-based/informed response, it will move and motivate attendees to better serve our LGBTQI+ students and community members.

Please share this invitation with your campus staff, and please join us the week of June 18-21 for this important conference. For more information, please visit suny.edu/events/spectrum

See you at SPECTRUM!

With the support of the State University of New York, our partners and sponsors, we are able to offer registration to SPECTRUM for the subsidized price of \$125 per person for the two-day conference. Pre-conference and post-conference registration costs are a further discounted \$50 per person per day. The University has a commitment to making the training accessible, and we are grateful to our partners who have helped us reduce the cost to one of the lowest costs for a full-service conference in the nation. Registration includes all content, continental breakfast, full plated lunch with vegetarian, vegan, gluten free and other options, morning and afternoon snacks, access to additional digital and live table content, and materials. Further, we have been able to slightly reduce the costs of parking to \$5 per day.
