INSTITUTIONAL REVIEW BOARD (IRB) NOTIFICATION OF RESEARCH PROPOSAL APPROVAL

To: PI **Ross**
From: George Schreer, Chair, Institutional Review Board
Date: 13 December 2019

The Manhattanville College IRB has reviewed your proposal for research, titled “*A qualitative study of individual college student bystander intervention decision-making.*” I am happy to inform you that your study meets ethical guidelines for research using human subjects. This approval remains in effect until one year from the above date. As with all approvals, you are required to notify the IRB before making any significant changes to your protocol.

Best of luck,

George Schreer
